1. This note is to confirm a telephone conversation which I had
with on 18 July.

2. You are requested insofar as feasible to accommodate the
recommendations outlined in the referenced paper with the following
exception:

a. In paragraph 8 strike duplicate negative--SAC and insert
duplicate positive--HTA (for archival purposes in emergency
repository).

b. Disregard the paragraphs 2 and 3 for the reason that
Mr. Bissell as recently as last week was made privy to the backlog
at Eastman and indicated his desire to maintain the status quo.
